Title: Welcome Back!

Date: August 13, 2020

Angela Anderson is back and with her newly acquired P.E. license! Last December Angela departed to begin an adventure in the South Pacific. She spent months living in different locations all around New Zealand. While there she hiked, rock climbed, bungeed, flew on the trapeze, worked as a circus instructor, met a lot of interesting people, and quarantined. On her way home, she took a short stop in Minnesota to work as a flying trapeze instructor. She is now back home to lay her roots in Pittsburgh. Welcome back Angela Anderson P.E.
